

Brendale Series

The Brendale's eye catching facade is sure to impress. Even more so once you have entered through the semi formal entry to open plan living area, a real feature of this home, giving you a wonderful sense of space the moment you walk through the front door. The lounge is located to the front of the house, ideal for the family wanting a little peace and quiet.

The outdoor alfresco area has direct access from the family area that is overlooked by the modern galley style kitchen, making entertaining a breeze. The master bedroom is designed with privacy in mind positioned away from the family bedrooms and towards the rear of the home, complete with walk-in robe and ensuite.

Brendale 233 features:

- Separate lounge, family, dining, and kitchen area to give you and your family time and space for relaxing evenings at home
- Large master bedroom with walk-in robe positioned to the rear of the home
- A central kitchen perfect for entertaining or provides a meeting point for impromptu family gatherings
- Large rear patio with access to the central kitchen, dining and family area

DXL Projects are a Proud Queensland Company and we pride ourselves on designing beautiful homes to suit our wonderful Queensland lifestyle. Our aim is to provide homes for carefree modern living - generous sized bedrooms, spacious living areas with large outdoor rooms are a feature in all our designs. We feel confident there is a home for everyone and every budget within our range.

Our design range features names from all Queensland postcodes so you may just find a home that is close to your heart.
